Funded in part by a Traumatic Brain Injury  
State Partnership Grant of the U.S. Department  
of Health and Human Services, Health Re-  
sources and Services Administration. Subject  
to the availability of funds and satisfactory pro-  
gress of the project, the Grant will provide fed-  
eral funds of \$250,000 each for four years.  
(total \$1,000,000)
