*Raising awareness about brain injury*

Thank you for your donation of time, money and tireless work. You have played an important role in our successful brain awareness events. We

extend our sincere appreciation and heartfelt thanks to you. The Brain Injury Association of NC with the help of many wonderful volunteers, individual contributors, friends, and family members coordinated 5 Walk & Roll-athons, 2 Joggin' 4 Your Noggin' 5k Runs and our annual Ride for the Rock Cycling event. Over 1,200 individuals attended the events. We are extremely grateful for the generous support of Charles G. Monnett III and Associates as our statewide title sponsor and the 76 other sponsors from across the state. With our combined efforts, we raised over \$70,000, which was \$10,000 more than we earned last year with the same events. This is a huge success and we are grateful that each of you came forward to make it happen.

Your support will help us touch more lives and will help make sure we leave no child, no adult, no family member, no veteran and no NC citizen of any age behind. Each sponsor and each person who sent a donation or raised money for

*Helping families*

pledges or organized a team made a difference. Your efforts will help us provide support across the state to all communities.

**Jacksonville 3-14-09**

*Supporting our Military*

BIANC provides a website, 5 regional resource centers, a Resource Book, a family helpline (800-377-1464), complementary memberships, newsletters, and camps. We also provide materials and grant opportunities to over 40 support groups. Your donation of

*Connecting survivors and services*

time and money will help us continue our efforts to educate our legislators, support our caregivers, and offer training to community providers.

We cannot cure a brain injury, but we can work to prevent them and to educate those responsible for funding and providing services. We can help survivors and family members advocate for the services that they need and help assure that those services are provided in an appropriate and timely manner.

You can help by continuing to support our events and our association. Your donation of time and talent is critical.

Thanks again!

Sandra Farmer and the BIANC Staff
