

**BRAIN INJURY
ASSOCIATION**
OF NORTH CAROLINA

BE A PART OF CHANGE

Network with others, share useful information, & **engage** in training activities.

Help in **advocacy** efforts, **share** your story, & **participate** in polls to better target services.

Access resource guidance throughout the state and **connect** with local support groups.

Give **exposure** to your organization or business while connecting people with help.

Aid in **bringing together** people because of what makes us similar rather than division due to differences.
