Cognition, Speech & Language

P.O. Box 2854
Matthews, NC 28106-2854

Phone: (704) 759 – 6145
www.cognitionspeechandlanguage.com

Cognition, Speech & Language offers free 30-minute consultations for new referrals. Cognition, Speech & Language is a private speech therapy practice that specializes in evaluating and treating adults via telehealth. We serve individuals with both developmental and neurological diagnoses, including brain injuries. Conditions treated include, but are not limited to, speech production; language comprehension; language expression; memory; attention; and executive functions (e.g. organization, reasoning, problem solving). Our goal is to individualize treatment to support functional participation in work, academic, and community settings.
