Instructions for Continuing Education Credits (CEC)

Read through the instructions carefully to submit and receive the CECs you need for your discipline. You must attend all the sessions for your discipline to obtain CECs. The Brain Injury Association of NC is not offering partial credit. Submit the evaluation electronically and the certificates will be emailed to you. Attendance will be automatically recorded and monitored throughout the event. If you need to review a session, the session archive will be available within 24 hours under the "Sessions" tab. Complete the evaluation once you have watched all sessions.

Hours Approved:

- Certified Rehabilitation Counselors (CRC) - **10.5 hours** of CECs
- Certified Brain Injury Specialist (CBIS) - **10.75 hours** Some of the on-demand sessions are included in this total.
- General Certificates of Attendance (GC) - **15.5 hours** The on-demand sessions are included in this total.
- Psychologists (APA): **7 hours** of CECs. The on-demand sessions are not included as part of your CEC bundle, although they are included with your registration. Please feel free to view them at any time.
- Nursing: **8 hours** of CECs. The on-demand sessions are not included as part of your CE bundle, although, they are included with your registration. Please feel free to view them at any time.

*** You may use the "Filter" feature in the "Sessions" and "On Demand" tab to see which sessions are approved for your discipline.
